SOUNDBOOTH TRAINING Saturday, May 4 @ 10:00

The Booth and Workshop will be under the direction of **Jared Davis and Bob Pullampally**

There have been many changes in the system over the past months, and we need to get everyone up and going, especially being able to troubleshoot should something fail during a worship. Some new guidelines will be offered under which the Booth will be manned.

A special HUGE thanks goes to Dustie Roland for stepping up and helping us through a hard period. Praise God she'll be around a while longer. As she will be going to College just over in Odessa!!!!!!
