EQUIPPING THE SAINTS

Ephesians 4:11-12 tells us that one of the great
works of the Church is that we equip the saints to
do works of service. We take that charge very
seriously here at One Hope. We are constantly on
the prowl to train, equip and then empower peo-
ple to go serve in the Kingdom.

One of those ways is in training and equipping
speakers and teachers. But in order for a team to
improve they have to play the game and not just
stay in practice, right?

Today, we are doing just that. Our brother
Amon Mosely will be delivering the lesson to-
day, and then on the 30th will be doing the
same thing in Seminole. Let's build him up!

We are studying
I CORINTHIANS.

Join us to discover divine love in the often
overlooked and misunderstood passages
of Scripture. And you'll be delighted to
find that Jehovah of the Old Testament is
the same redemptive and compassionate
God we see through Jesus Christ in the
New Testament. He has always been and
will always be for us!

Ladies of One Hope: You are cordially invited to
participate in our first ever Secret Sister Ministry.
This will be a wonderful opportunity to glorify God
by building stronger, more connected
relationships with other women of our church
family. As a participant, you will be assigned a
"secret sister" to pray for and encourage for 3
months. When our time has ended, we will gather to
reveal who our sisters are. If you are interested in this
heartwarming journey, encouraging one another, growing
our faith, and building friendships, please find information
in the foyer.
