News and Notes

"GEAR UP"

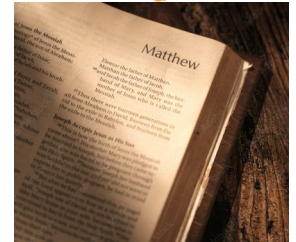

The phrase means different things to different people. To a Police Officer or Fireman it means putting on certain PROTECTION EQUIPMENT before they go into a dangerous situation. To a football player it may mean certain padded equipment, to a baseball player it may mean a uniform, hat, bat, and glove. Even while driving an automobile, gearing up (although we probably use the wording of 'put your belt on', means we are preparing for a "JUST IN CASE" incident.

But to a Christian, **gearing up** means putting on the symbolic armor of God so that we re able to defend ourselves against the schemes of Satan. And trust me, he is out there swinging away, just waiting to "hit or devour" the next victim. That's his goal and purpose in this world: To disrupt and disable any person that he can. To lead us **away from Christ**, and into confusion, doubt, and eventually, sin and SPIRITUAL death. Forgetting who we are, and what we have been called to be, he will aim at our hearts and minds, to move us as far away from our commitment with Jesus Christ, as he can.

So let's **GEAR UP** my friends and family. Let's prepare ourselves to do battle with the unseen forces of this world (Ephesians 6). Knowing that through Jesus, God has already given us the victory, all we got to do....is claim it. Have a great week.
Love ya,
Scott
