Father, we Ask You to give each woman a complete knowledge of Your will along with spiritual wisdom and understanding. Please order their days so that their daily activities are balanced and fruitful. Make the crooked places in our families straight and perfect those things that concern them. Please help our singles and married women to live with all godliness and contentment, which is great gain. For those singles who desire a mate, help them to wait patiently on You. Knit the hearts of our married women closer together with their husbands and give them courage to live Your Word in every facet of their marriage. Father, please restore the broken places in those marriages that are struggling. Increase Your love and security in those marriages that are doing well. Father, we ask You to bless all the women of our Church Family.

Every Friday Morning 6 AM in the Coffee Shop is a Men's Bible study that meets and has coffee and dives into the book of Matthew
