Dear Church Family,
Thank you all so much for showing up and helping clean out Berta's storage containers. What we thought would be a big job turned into something truly amazing because of your willingness to jump in and help. Thanks to your hard work, we accomplished far more than ever expected in a much shorter time than we could have imagined.

I cannot fully express how much your help meant to me. The task felt overwhelming, and the emotional weight of sorting through everything was heavy. Seeing so many caring hands and willing hearts come together not only helped with the physical work but also lifted a tremendous burden from me mentally and emotionally. What would have been a stressful and exhausting process became manageable because of your kindness, encouragement, and support.

Thank you for giving up your time, working in the heat, moving boxes, sorting items, and talking every task with such a positive attitude. Every person who showed up made a difference, and we are deeply grateful for each and every one of you.

Your actions were a beautiful reminder of what it means to be a church family. You showed God's love in a practical and meaningful way, and I felt surrounded by His care through each of you. We are truly blessed to be apart of a church family that is always willing to step in, serve, and support one another when needed. From the bottom of my heart, thank you for your generosity, your prayers, and your friendship. Your help meant more than you know, and we will never forget the love you showed during this time.
