Upcoming Series: Biblical Church Leadership

Look forward to this series as it will help us prepare for our search and selection of additional Deacons and Elders. Please be in prayer for this whole process. This will be another exciting step in the journey of One Hope. Here's what is in store :as far as our lessons will go:

November 15 Back to Our Future ---Acts 6
November 22 The Match Game, Except It's No Game
November 29 What Was Paul Thinking?
December 6 Traits of an Elder

This week I did a funeral for a friend of James Hanlan,
by the name of Ron Brice.

And what I stressed in the thoughts was that he was man, who drew people to him, so he could make them better (made them feel better, encouraged them, made them happy, etc)

I shared ---that this reminded me of Jesus and of how He drew people to Him, so He could make them better (spiritually of course). He drew people to Him through His teaching and through miracles, so that...He could heal them from their sins and save their souls.

Now none of us can do that, only He could, BUT....we CAN draw people to us, so that we can lead them to THE One who can heal their sins, and in the meantime.... we can make them feel more comfortable, or more accepted, or simply make them laugh. Other words, show them what the abundant life in Christ is all about.

Listen, each of us are surrounded by opportunities to do just that. Folks we work with, or go to school with,
or live next door to, or meet at the store or drive beside going down Andrews Hwy....we all have opportunities to just be Jesus, draw people to us, so we cab lead them to THE one who can save their souls.

"Jesus, please give us the eyes to see the opportunities, and the power to draw people to You."
