Upcoming Series: Biblical Church Leadership

Look forward to this series as it will help us prepare for our search and selection of additional Deacons and Elders. Please be in prayer for this whole process. This will be another exciting step in the journey of One Hope. Here's what is in store :as far as our lessons will go:

November 22 The Match Game, Except It's No Game
November 29 What Was Paul Thinking?
December 6 Traits of an Elder

The other day I was doing some research on spray foam insulation. The billing it gives is that it's easy and will close off any leaks or moisture. Wow! Consider that. Nothing gets into your attic that doesn't belong there. Seal in the warmth, seal out the cold and hot. Amazing

Then my ADHD kicked in and I switched from thinking about attics to thinking about the Church, and how so many congregations have applied **spiritual foam insulation**. Meaning they don't really want any outsiders coming in, so they seal themselves away behind closed doors. Doing this or that mainly for themselves. Oh they may **say—this activity is for everyone**, but they make little or no efforts to reach out and invite their neighbors. And their auditoriums -- stay foam insulated

May God NEVER let One Hope EVER apply ANY **spiritual foam insulation.**
