Joey & Regina Cummings
Snyder Tx

On the 29th, we will be taking a break, of sorts, from our Leadership Series to have a Guest Speaker, **Joey Cummings.** God just worked this out incredibly. In a phone call with Joey, he told me of some thoughts he'd been giving on the subject: Leaders & Discipleship. So, we asked him to come share his thoughts with us. If you remember, Joey was one of our guest speakers this summer for our Summer Series, and did a great job. *As it turns out, he has every 5th Sunday off from his preaching duties in Snyder anyhow*. See, I told you this was a God thing. I love it when God works things out. Make plans to come hear: **"Leading In Discipleship"**

To Native American's, a single Eagle feather given to the family of a fallen Warrior, was the ultimate honor, a salute to the Warriors' courage and connection to the Father.

Here at One Hope, 2026 has been the year of lost Warriors like never experienced before. John McMackin being the latest, but we could almost hand out a bucket load of eagle's feathers to the families of those who have lived their lives in service to God and have now moved forward to their ultimate connection with the Father in heaven.

What happens today when a warrior passes, is we symbolically give the family 'eagle's feathers' with our food, visits, our words, and prayers. We are acknowledging how much we appreciated, respected, and will miss their Warriors' example of encouragement, strength, courage, and how they allowed the light of Jesus to shine through in their lives.

So today, we give our feather to the family of **John McMackin**, well done my friend, well done.
